Open to remote opportunities and relocation

[WEBSITE](#) / [SHOWREEL](#) / [PORTFOLIO](#)

Video producer, editor, and creative director delivering branded campaigns, podcasts, and social content. Leads concept development, scripting, production, and post-production, with campaign work for 20+ national and global brands and experience managing concurrent client deadlines.

01 / PROFESSIONAL EXPERIENCE

EPI Media Group

Producer / Video Editor | Atlanta, GA | August 2026 - Present

- Lead production and post-production for multiple clients, delivering approximately eight videos per shoot with one- to two-day turnarounds.
- Handle camera operation, editing, grip and electric, graphics, and technical support while managing concurrent projects from pre-production through final delivery.
- Produce the Coinology Podcast, overseeing production, editing, graphics, and final delivery.

Macrobase Productions

Creative Director | Grayson, GA | May 2016 - Present

- Lead commercial, educational, and social video projects from concept through delivery, including scripting, filming, editing, and visual effects.
- Produced branded campaigns for 20+ national and global brands while managing multiple client projects and deadlines.
- Served as Head of Show for Behind the Screens, managing production logistics, talent interviews, scriptwriting, and creative direction.

GCPSTV

Motion Designer / Video Editor | Suwanee, GA | November 2019 - March 2020

- Designed motion graphics, broadcast packages, and branding assets for district-wide educational and promotional initiatives.
- Collaborated with production teams to film and edit video, maintaining visual consistency across district communications.

02 / TECHNICAL SKILLS

Production: Concept development, scripting, camera operation, grip and electric, podcast production, video editing, motion graphics, VFX, color grading, CGI compositing.

Software: Final Cut Pro, Adobe After Effects, Blender 3D, Apple Motion, Unreal Engine 5, Embergen, Clip Studio Paint.

03 / SELECTED BRAND WORK

Produced content for Adobe, Apple, Amazon Prime, Bank of America, Cartoon Network, Disney Parks, Hershey's, KFC, Netflix, Samsung, and Snapchat.
